

# Up Like a Rocket

Up like a rock - et, down like the rain, back and forth like a choo - choo train,  
*(move bow up and down)* *(move bow side to side)*

'round and 'round like the great big sun, now on my knee with a nice bent thumb,  
*(move bow in circles - tracing your face)* *(rest bow on knee - check that thumb is still bent)*

Up like a rock - et, down like the rain, put your bow where you keep your brain.  
*(move bow up and down again)* *(place bow on top of head - pointing tip towards ceiling)*
